STUDENT CITY OFFICIALS -- The real city officials, Elwin Alder, city manager; Don Maroney, city attorney; and Zella Stone, councilman; help the student city officials with their jobs during "Students Run the City Day," held last week. Student officials shown are, Ed Walton, city manager; Brooke Perry, city attorney; and Laurie Angel, councilman.

Question Raised Again

Is Upland Receptive To New Industries?

In a 4 to 1 vote, the city council at its meeting Monday night denied a conditional use permit to put up a prefabrication home plant at Benson and 15th street, asked for by Dewey Cable.

Cable was appealing to the council after being turned down by the Planning Commission.

The lone dissenter in the voting, Councilman James Christensen, angrily denounced the action.

"I personally viewed the plant and as I read the ordinance, it is R & D (Research and Development). I feel along with Mr. Cable it is time to stop nitpicking about R & D. If we want to lower taxes, we must do it by getting industry. People have made it evident they want lower taxes. We need industry and its tax dollar, and we shouldn't keep procrastinating."

Cable had told the council he felt the Planning Commission had been "unjust". "It is the same old story I get when I come in here," he said. He has submitted numerous proposals on bringing industry to Upland, and has been turned down so far.

"Do you really want a tax base, or do you want to go on paying high taxes?" he asked the council. "My plant is not unsightly, dusty or noisy," he added.

Mrs. Elizabeth Stank, 1251 W. 15th st., spoke in opposition to the plan and said she and her husband were opposed because the plant does not conform to the preamble in the ordinance, nor does the building construction meet the standards as set forth. She said they were of the opinion it would be "frantic manufacturing."

Barton Bonner, 1268 Coronado, spoke in opposition, and he said he agreed with Mrs. Stank on the same points.

Councilman Ronald Rossitter said, "I feel when we started the area, we anticipated a green belt to protect the airport, and we stated we would not permit manufacturing, and Cable's proposal is not research and development. If we pass it, we would not be keeping faith with the people."

UPLAND TREATMENT

After the vote Councilman Christensen said angrily, "I would not blame any manufacturer for not coming to Upland because of the treatment he would receive."

Councilman Max Hawkins disagreed with Christensen about the treatment manufacturers would receive.

Councilman Rossitter said, "We have to have the courage to maintain our standards and not fall for false tax schemes." Christensen denied industry brought "false tax schemes."

Mayor George Gibson said, "When an ordinance is passed, we must stick by it."

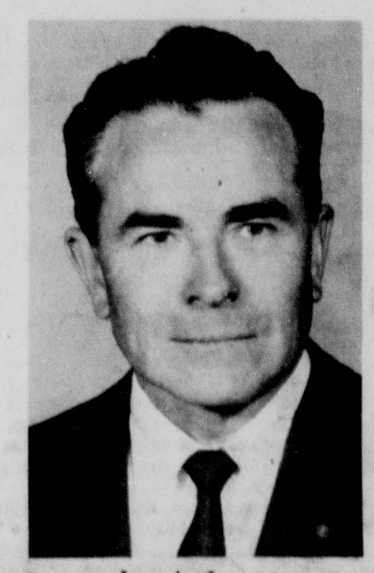

In other busines, the council

--approved a red Neon sign for the Pizza Palace to be located in the shopping center on Foothill boulevard

--upheld an Architectural Commission recommendation to deny a steel building in the Mulberry Shopping Center asked by Neil Barnes, of Western Steel Structures, Inc. Barnes, in anger told the council he had been to the Architectural Commission twice and if the council couldn't settle the matter, then he would take his business elsewhere.

--approved substitution of Willian Moir on the sign committee to replace Charles Gehrken who is moving from the area.

Upland Loses Civic Leader

Jarvis Leman

Funeral services will be held Thursday, May 8, at 2:30 p.m., Stone Funeral Home, for longtime resident and civic leader, Jarvis Leman, 58, who died at his home May 5.

Mr. Leman is survived by his wife, Anita; his mother, Mrs. Thomas Leman of Pomona; three daughters, Mrs. Reeves Partian, of Dallas Tex., and Susan and Vicki of Upland; three brothers, Jack, of Covina, Homer, of Mesa, Ariz., and Creel, of Fresno.

At the time of his death, he was President of the Upland City School District Board and has also served as a councilman and President of Rotary. He was elected to the council in 1958 and served until 1962. He was elected to the school board in 1954 and has served as president since 1956.

Mr. Leman, was born in Oklahoma, and lived in Upland for 36 years. He graduated from Pomona High School and the University of Southern California, where he earned a degree in accounting. He was a Certified Public Accountant and secretary of the Upland Lemon Growers Association.

He was a charter member of the Citrus Belt Chapter of the California Society of CPA'S, and a member of Rotary Club. He held a membership in the Red Hill Country Club, and was on the Board of Directors of the Chamber of Commerce.

Rev. C. Richard Mitchell, the pastor of the First Presbyterian Church, will conduct the services and interment will be in Pomona Cemetery.

Students Take Over City

Students took over the city for the day last Wednesday and did a good job of running it. The "take over" was planned and peaceful and was part of the Upland Rotary club and City of Upland's participation in helping senior students at Upland high school understand city government.

Some 29 seniors participated and were met by their counterparts at city hall. Bob Erickson was elected mayor and conducted the mock council meeting in the afternoon.

LUNCH WITH ROTARY

After the group met the city officials, they spent the morning in the various governmental departments observing the working. At noon, luncheon was served at the Woman's club, under the sponsorship of the Upland Rotary club. After lunch the mock council meeting was held in the council chambers at city hall.

At times the meeting took on a spirited note as issues were discussed back and forth between the "council" and "officials".

However, the students showed a remarkable understanding of city operation and great insight in its problems.

Participants were Bob Erickson, mayor; Laurie Angel, Sherrie Benjamin, Mike Bevins, and Fred Wood, councilmen; Gail Anderson, Tom Hermes and Dana Root, planning commissioners; Terry Truckle, city clerk; Marilyn Bloom, city treasurer; Brooke Perry, city attorney; Ed Walton, city manager; Laura Bescoby, assistant city manager; Steve Houtz, police chief; Bruce Erickson, detective; Steve Ruggles, police captain; Mark Hayden, fire chief; Coleen Collins, fire marshall; Charles Lucas, city engineer; Robert Mahoney, water superintendent;

Kurt Darrow, street and park foreman; John Chicarelli, sanitation supervisor; Deana Hiscock, finance director, Bruce Grable, senior building inspector; Delanie Bowden, business license officer; Gail Gehrken, city librarian; Joe Walker, purchasing agent; and Richard Gordon, civil engineer associate.

Don Frankson is their history teacher.

Flood Damage Suits Filed For $4 Million

The City Council has denied claim to 86 suits filed against the city in the amount of approximately $4 million. The matter came up at Monday night's council meeting when City Attorney Don Maroney made a report.

Three of the most costly claims were filed against the city by Kapu-Kai restaurant financers. The Worchester National Bank is asking approximately $423,000 for alley lanes and $270,000 for pin setting machines. The Aloha Lanes, Inc., is also claiming the alley lanes and pin setting machines and is asking approximately $1,200,000.

The Empire Savings and Loan, the third claimant for Kapu-Kai is asking approximately $100,000.

The reason for the suits, said Maroney, is that the people who have lost their homes and possessions in the flood can get no redress at the county, state or federal levels and they say it is Upland's fault they were flooded because of the divisionary dike in the spreading grounds. They are blaming Upland for dumping its flood waters on them.

AIR TOUR -- Glancing over the air tour agenda are Max Hawkins, councilman, Pete De Rosa, aviation committee of the Chamber, and R. C. "Tip" Browne, president, Cucamonga Chamber. The men were part of a group of city officials who participated in the Chamber of Commerce's First Annual Air Tour for City Officials.

Hospital Week Observance Set

San Antonio Community Hospital will participate in the observance of National Hospital Week, May 11-16 with various activities, according to Paul Hoffman, assistant administrator, of the hospital.

On Mother's Day, May 11, the hospital will present each maternity patient with a sterling silver baby spoon engraved with the hospital emblem. Special recognition will also be given to the mother giving birth to the first child on Mother's Day, as well as to the oldest mother in the hospital on that day.

Other observances include, a display of children's drawings and letters on the Kiosk. The children of Sycamore Elementary school recently visited the hospital and the art is what they drew after the visit.

Posters on National Hospital Week will be displayed at the hospital and in doctor's offices and a display depicting some of the hospital's activities will be shown in the lobby of the hospital.

Patients in the hospital at this time will have special tray favors and cards.

Chamber Sponsors Poster Contest

The spotlight this week in the May Clean-Up, Paint-Up, Fix-Up campaign, sponsored by the Chamber of Commerce, Upland Beautiful Committee, is a picture and poster contest for all Upland elementary school third graders, according to Rosalie Kamansky, chairman of the Clean-Up Committee.

The theme for the contest is "Clean Up, Paint Up, Fix Up." Any colors may be employed, and judging will be upon the basis of presentation and illustration of the idea, Clean Up, Paint Up, Fix Up.

There will be an overall grand prize, for the overall winner, and first and second prizes and honorable mentions for each school.

Announcements of awards will be made May 9 and the posters will be displayed in the downtown area in the windows of cooperating merchants and at city hall for the remainder of the month.

On Saturday, May 17, the Upland Jaycees will pick up old refrigerators and overstuffed furniture as part of their contribution to the Clean-Up Campaign. If you wish pick-up on these items, please call 982-8816.

What's This...A Tax Reduction!

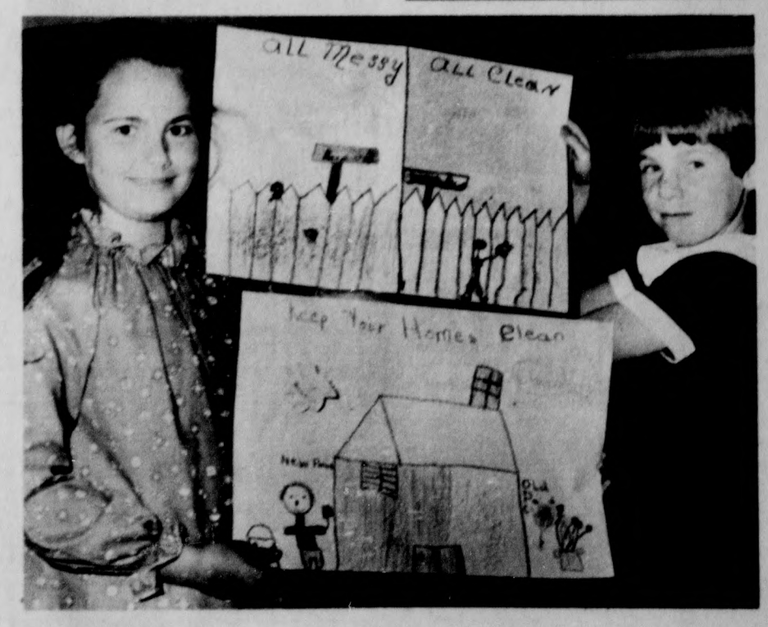

Upland homeowners can look to a 30 cent tax reduction in the city next year if they own a $24,000 home. On this type of home they have been paying $108.30 and next year it will drop to $108. However, before this occurs, the proposed city budget of $3.6 million dollars must go through budget hearings and be passed by the city council

The proposed budget was presented to the council at its meeting Monday night and they have adjourned to 7 p.m. Monday, May 12, to start studying the budget. The public is invited to attend the meeting.

Kiwanis Plans Rummage Sale

Upland Kiwanis club is sponsoring a rummage sale on Friday and Saturday. Place of the sale is 155 E. Foothill blvd., in the Safeway building. Hours are from 1 to 9 p.m., on Friday, and 8:30 a.m. to 1 p.m., on Saturday.

Proceeds from the sale will go to benefit underprivileged children and senior citizens in the community.

KEEP HOMES CLEAN -- Third graders Debbie Dyer, left, and Tina Clinton, right, show posters they have made to illustrate how Upland residents can help make their city more beautiful. The girls have studied Upland in their social studies lessons. They attend Mrs. Beverly Name's class at Magnolia elementary school, 465 W. 15th street, Upland.

Let Us Begin

"It's an ill wind that blows no one some good."

This seemed true these past two weeks in the wake of a story in a West End daily regarding the use of dope at a local high school.

Because of this story, a few issues were clarified, the actions of some "concerned parents" were uncovered and other parents voiced their desire to "do something" to top the menace of drugs on school campuses.

Something similar happened in Montclair earlier this year.

Perhaps this is what all communities need, a "shaking up" so that those who are "concerned" will come to the fore and be joined by others who are, perhaps, not aware of the methods to be followed, but are more than willing to lend a hand, as well as moral support, for ACTION.

Drugs have become a menace in this country, if for no other reason because more and more of the young people of the country seem to be taking them in one form or another.

Bad enough at college, worse at the high school age, the insidious traffic in narcotics has reached down into the junior high schools and even below.

If we are indeed "concerned parents" then let us be ACTIVE concerned parents. Let all of us, parent groups, schools, civic organizations, join together and put a stop to this thing HERE and NOW!

We're Square

WE'RE SQUARE

The institutions of "motherhood" and the American Flag have been somewhat demeaned the past few years, and we're just "square enough" to admit we fail to see why.

With so many institutions and situations which demand correction, why pick on the two which have stood the test of time?

Our "freedom-seeking liberals" (?) are often more off base then they are on.

Certainly there are conditions such as poverty, hunger and war which need to be corrected. That need has existed since mankind and will probably require attention for decades to come. You don't change mankind overnight or even in a century.

Love and respect for your mother is in a category by itself. There is no one to take her place.

Nor have we found a satisfactory substitute for that red, white and blue symbol. Certainly the hammer and sickle isn't the answer nor was the Swastika. Have the flag-burners offered a better alternative?

In the language of the modern generation, "Mom, You're the greatest" and we're just square enough to respect the emblem which signifies America.

So we're "square"--we're proud "squares."

Comments In Brief

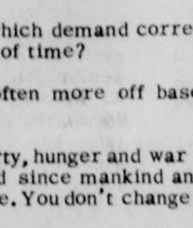

The Sun Oil Company publication "Our Sun" stated, "Along with new residence halls, classroom buildings and other expected buildings of academia, the campuses of colleges and universities across the country are sprouting multistoried parking garages. And for very practical reasons. According to a recent marketing survey, 40 per cent of the nation's more than 6.5 million undergraduates own cars. Campuses are attractive neighborhoods for location of service stations, too; about one fourth of student car owners use either their own or the family's gasoline credit card. They account for nearly $40 million a month in gasoline sales alone, closing at least one gap between generations, transportation."

DIDJAKNOW DEPT?

Benjamin Franklin was the man who dreamed up this whole idea of Daylight Savings.

Franklin was U. S. Minister to France after the American Revolution. He figured that in spring and summer Parisians unnecessarily burned candles in the evening for 1,281 hours. When he suggested advancing time an hour, he was ridiculed. It wasn't until the beginning of the 20th Century that anyone thought of the idea again and put it to widespread use.

DAFFYNITION

"A small town is one where everybody knows what everybody is doing and they take the local paper to see how much the editor dares to print and where everybody knows whose check is good and whose wife isn't."

ESCAPE HATCH

The Brown Act was enacted by the California Assembly to protect and inform the citizens on state, county and municipal levels and to prevent "behind the door dealings."

The only exceptions are to discuss personnel problems and those pertaining to real estate where the price factor could be elevated by public disclosure.

But city councils school boards and others are finding more and more reasons to "go into executive session" and even the most gullible are aware that neither personnel or real estate are the topics.

Upland chose its Mayor three years ago in "executive session"--and then came back to make the announcement, rather than to stage a heated controversy before spectators.

At that time, we contend the Brown Act was skirted and we are still of that opinion.

UP IN ARMS

Cucamonga and Alta Loma is still up in arms over that charge made by a 13-year old girl that 70 per cent of the high school students at Alta Loma were drug users.

We seriously doubt the veracity of the girl's statement and view it in the same light as asking a drunken driver, "How many drunken drivers are there on the roads these days."

We know, the teachers, know, and the parents know that drug usage is spreading---not declining.

Schools have a role in curbing it---but essentially the problem lies with the parents.

If these stories help to alert them---then they serve their purpose.

WHAT'S THE FUTURE?

Since the sale of Cable Commuter and the by-passing of La Verne-Pomona by Golden West---what is the status of commuter airlines in this West End?

Seems hush-hush all of a sudden.

HAPPINESS IS. . . . . .

The first time you are permitted to take the family car without an adult. . . .When a boy breaks into the starting lineup for a first time. . . The first formal for the young girl. . . .Your first date. . . .The report card you brought home which received approval of your parents. . . Not getting caught the day you played hookey. . . .The day you "were accepted" into the gang. . . Your first part-time and regular job. . . Rules Of Road

"Ten Commandments" for motorists, published in the parish magazine of St. Mary's Church, Worcester Park, south London suburb:

1. Thou shalt hold only the steering wheel.
2. Thou shalt not make unto thee a God of thy horsepower.
3. Thou shalt not take the center lane in vain.
4. Remember the driver behind to help him pass thee.
5. Honor thy father and thy mother and all other passengers.
6. Thou shalt not kill
7. Thou shalt not commit inebriated driving.
8. Thou shalt not steal-not thy neighbor's eyes with thy headlights, nor his ear with thy horn, nor his enjoyment with thy litter.
9. Thou shalt not bear false witness with thy signals.
10. Thou shalt not covet thy neighbors' right of way.

What's Doing In Upland?

JAY LEMAN

We will certainly miss Jay Leman. He was often seen walking by our office on his way to some place uptown and once in awhile he would poke his head in the door and with his boyish grin chide me about doing his lemon story. It was an old joke between us because the story should have been done last November. After Christmas, after the snow, after the floods or after something or another, I would tell him and he would accept my excuse for another time. Now it is too late. He made a great contribution of service to Upland and he will be missed in this town.

Our Anniversary

The City of Montclair may be celebrating its 13th anniversary but few people realize that Bonita Publishing company is also celebrating a special occasion. This week marks the first anniversary that the company has been under one roof.

One year ago this Wednesday Bonita produced the first issues of the Montclair Tribune, Upland News, Cucamonga Times, San Dimas Press, La Verne Leader and Diamond Bar Bulletin at its new central facility at 4674 Brooks in Montclair.

Even though the production departments were combined to facilitate a smoother operation the individuality of each paper with its respective community served was still maintained with offices retained in Rowland Heights, San Dimas, and Upland.

Though most operations were combined, more people were needed as the company became a completely independent facility with the addition of its own press. The number of employees now working for Bonita include 53 full and part-time personnel, with 15 supervisors in circulation and 274 carriers.

The increase in employees has boosted the payroll proportionately to about $20,000 per month.

In January Bonita took over its own printing responsibilities with the installation of a new 5 unit Goss urbanite, 40 page capacity, offset press -- with quarter folder. Presently, the unit offers full process color.

Due to the addition of the press the company is able to offer color separation; picture half-tones, and job offset work to customers; and also commercial rotary offset printing.

An added factor, now that the press is working in satisfactory condition is that an average of 30 tons of newsprint is consumed by the facility in one week's time.

Second Graders Visit City

Second grade students from Sycamore Elementary School recently toured the new Upland Community Center to see and learn first hand about their community.

The students have been studying the various departments and community helpers that make up a city. The children visited the library, police station and fire station on their trip.

Prior to the visit the children discussed and wrote questions they wanted to ask while on the trip. Mrs. Mary Coldiron's and Mrs. Bobbie Simpson's classes made the trip.

David Ring Named Winner Of Scholarship

David R. Ring, a 17-year-old senior at Upland high school, has been named winner of a $4,000 college scholarship offered by Southern California Edison Company, according to R.B. Beck, Edison division manager.

Ring, son of Mr. and Mrs. Robert C. Ring, 1510 N. Euclid ave., Upland, was awarded the four-year scholarship following a personal interview before a final judging board in Los Angeles.

The local student plans to attend Pomona College, one of 24 private colleges and universities participating in the Edison program.

The electric company's scholarship provides $1,000 per year toward the winner's tuition and expenses. A collateral grant of $750 per year for the four academic years also is awarded to the college attended by each winner.

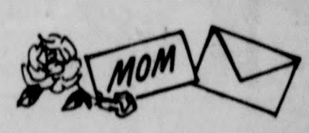

Serving on the final judging board this year were Victor L. Arenth, traffic manager, Southern Pacific Co.; Bruce Renwick, retired Edison vice president and senior counsel; Mrs. Jacqueline K. Schaar, regional public information director, United Way, Inc.; and Dr. William Teague, vice president, Pepperdine College.

Beck noted that more than 1,300 outstanding high school seniors from central and southern California competed for the six Edison scholarships.

One scholarship winner was selected in each of the company's six geographic divisions from among the three finalists in each area.

Everybody is waiting for somebody to do something about smog.

Meet somebody.

This is our community. We live here. We've served Southern California for more than 100 years. And we've lived with the smog problem, just as you have.

The Southern California area is recognized for having some of the best control programs for air pollution in the country. But we still have smog.

We wanted to help solve the problem. Not just talk about it.

And now we think we have a way to help. At the Gas Company, we've found that using natural gas as a fuel in motor vehicles sharply reduces the pollutants that cause smog.

We've already converted a number of our own service vehicles to use natural gas for fuel. And we're working to perfect the system for our own fleet, and so that others can use it, too.

There are many organizations like ours, with fleets of vehicles, operating from central servicing and fueling locations, spending many hours every day on the streets and freeways in Southern California. Conversion to natural gas is simple, and relatively inexpensive. Operation is more economical.

We don't claim that use of natural gas in fleets of buses, trucks, and cars is going to clean up the smog problem overnight. But it will help. And that's what we wanted to do.

FEATURED SPEAKER -- Willis Kimbel, president, Inland Council of Conservation clubs, was the featured speaker at the recent DAR luncheon. He spoke on conservation in the local area.

DAR Luncheon Meeting Has Speaker; Busy Agenda

San Antonio Chapter, Daughters of the American Revolution held a luncheon meeting last week.

The Regent, Mrs. Elmer J. Dahlstrom, introduced the speaker, Willis Kimbel, whose subject was "Conservation as applied to the local area". Kimbel is Past President, and life member, West End Fish and Game Association, San Bernardino County, President, Inland Council of Conservation Clubs, member San Bernardino County Fish and Game Commission.

He gave Theodore Roosevelt's definition of Conservation as, "the wisest use of natural resources". He said that protection of wild life has increased the number of condors, trumpeter swans, whooping cranes, sea otters and other animals and birds which were once almost extinct. Mountain sheep and mountain lions are to be found in the San Bernardino mountains. Beavers are also to be seen in these mountains and in the Santa Ana River bed. The beaver is not compatible to man. In conservation there is always the problem of conflict of interest.

After the program a memorial service was conducted for Mrs. Elmer S. Seapy. In her memory the Chapter will present a tree to be planted in San Antonio Chapter, DAR Memorial Grove in Colony Park, Ontario.

Mrs. Joseph Visnak, just returned from DAR Continental Congress in Washington D.C., presented to the Chapter the gold honor roll certificate for excellent work done during the year. Mrs. Visnak is a member of the National Resolutions Committee and State Vice Chairman of National Defense.

A DAR silver spoon was presented to Mrs. Ronald Tenoglio for her baby daughter, Nancy Jane.

Guests at the meeting were Mrs. Lawrence St. Amant and Mrs. Jenny Kirkpatrick.

The State Regent, Mrs. Thomas V. Coffee, will visit this area May 13 at the Fontana Women's Club. Lytle Creek Canyon Chapter will be the hostess chapter.

4-H WINNERS -- Shannon and Elizabeth Belshaw of the Etiwanda Energetics 4-H club received a medal for their demonstration of small animals at the Little County Field Day in Apple Valley on April 26.

Etiwanda Energetics Compete In Field Day

The Etiwanda Enerjetics 4-H Club members attending the annual Little County Field Day in Apple Valley on April 26 competed for recognition in livestock, small animals, horticulture and home economics judging.

Demonstrations and illustrated talks in agriculture and home economics were also part of the day's activities.

Elizabeth Belshaw received a Red Award in small animal judging.

Shannon and Elizabeth received a Blue Medal award for their demonstration.

Kathy and Linda Longacre received a green seal for their demonstration. The day's activities also included a "Share The Fun" talent contest and an awards assembly announcing the many winners. It was estimated that about 500 people attended this annual County 4-H Field Day for the San Bernardino County 4-H members.

Pulse Of The Plaid

By Andy Wilson

Just five weeks, 35 days, 840 hours, or 72,576,000 seconds as of 7 p.m. this evening until commencement begins for the fabulous class of 1969. For you science buffs that is 72,576,000,000,000 microseconds. (I like big numbers!) I am sure all of us are glad to be almost finished with compulsory education. This school will be a mess next year with the budget cuts and all. I feel great pity for those students, particulary the freshmen. Not considering summer school, all the students will have only four new subjects next year. For someone to pursue those special interest courses will be almost impossible. But enough of this.

Appointed officers should apply the week of May 5-9 or this week. Applicants will be interviewed on Tuesday, May 13. For further information, see the Director of Student Activities.

The Junior- Senior Prom will be held Saturday, May 24 in the Chaffey College Cafeteria. Each year the Senior Class is honored at this occasion by the Junior Class which puts it on and pays for all deficits as their usually is one. Well let 'em pay! (I am speaking as a Senior of course)

Australia, New Guinea, New Zealand, "Exploring Lands Down Under" will be the film to be presented by John Goddard next Wednesdav. Mav 14 in the UHS auditorium. The program sponsored by Interact, an on-campus service club, begins at 7:30 p.m. and runs to 9 p.m.

Lion's Light Bulb Sale A Success

The Upland Host Lions club recent light bulb sale turned out to be a turned-on success, according to Roger Skinner, publicity chairman.

Funds raised from this event were originally going to the Bill Simonson Kidney Machine Fund, but it was learned that the goal has been reached and that additional funds are not needed, Skinner said.

Upl. Resident Lt. Colonel In Air Guard

Major William H. Marshall, 37, of Upland, has been promoted to the rank of Lieutenant Colonel and assigned as commander of the 163rd Combat Support Squadron of the 163rd Fighter Group, California Air National Guard, Ontario.

Lt. Col. Marshall succeeds Lt. Col. William H. Warren, who has been reassigned as group executive officer. Lt. Col. Marshall was formerly administrative staff officer for the support unit.

Lt. Col. Marshall was commissioned a 2nd Lieutenant in 1955 and has moved steadily through the ranks while a full-time technician at the Ontario base. He was promoted to major in 1964.

He served in England while an enlisted man in 1951-52. He is a recipient of the California Medal of Merit.

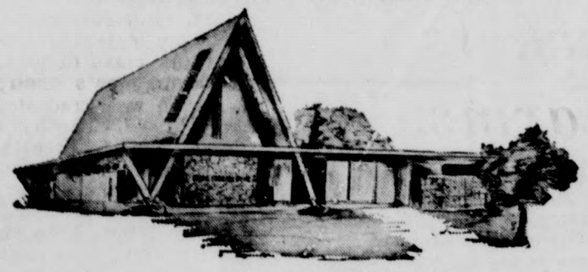

Mayor Gibson To Be Honored

George M. Gibson, Mayor of Upland, will be presented with an award for "having given unselfishly of himself to better his community", during ceremonies at Hollywood's Cinerama Dome on Wednesday, May 14, immediately preceding the American premiere of the Cinerama motion picture, "Krakatoa, East of Java".

The award will be from the Hollywood Chamber of Commerce, which is sponsoring the film's premiere as a "Salute To Community Leaders". Invited guests of honor will be Hollywood stars who have, in a position of leadership, performed outstanding community service, as well as city, county, state and federal officials residing in Southern California who have similarly contributed notable community leadership.

Co-hosting the "Salute to Community Leaders" will be Loyd Sigmon, Director of the Hollywood Chamber of Commerce, Joseph Sugar, executive vice president of Cinerama, Inc., and Robert W. Selig, executive assistant to William R. Forman, president of Pacific Theaters.

Foothill NCL Juniors Choose Mrs. Estabrook

Mrs. Robert Estabrook

Mrs. Robert Estabrook is the newly elected president of the National Charity League Juniors, Foothill Chapter.

She takes over the office held for the past year by Mrs. Frederick Prins. A year which saw the NCL Juniors launch several new projects: a rummage sale in October, a benefit for the Simonson Kidney Machine Fund and a Ticktocker Modelette Program.

Due to the success of these projects the Juniors earned more money for their philanthropies than ever before. The Casa Colina Day Nursery is the NCL Junior's major philanthropy.

President - elect Mrs. Estabrook, philanthropy chairman for the past year, guided the members in making painting smocks, games and Christmas and Easter decorations for the nursery. Funds have been donated to purchase necessary items of equipment and to increase the "brace fund" for the nursery children.

In addition to Mrs. Estabrook, the new board of officers for the coming year includes: Mrs. James Bice, vice president; Mrs. John Skelton, corresponding secretary; Mrs. Robert Williamson, recording secretary; Mrs. Michael Kilian, treasurer and Mrs. Norman Naylor, historian and publicity chairman.

THE NCL Juniors are pleased to announce that Mrs. George Davis of Upland has accepted their invitation of membership.

Installation Of NCL Officers

Installation of Officers for 1969-70 will highlight the final luncheon meeting of the year on Thursday, May 15, for the Patronesses of National Charity League, Foothill Chapter.

The noon event will be held in Griswold's Indian Hill Inn in Claremont. Mrs. Floyd Plasman will be installing officer.

Year end reports will be submitted by committee chairmen. Mrs. Andrew Barmakian and Mrs. John Plasman will be in charge of decorations for the luncheon table.

A meeting of the executive board at 10 a.m. will precede the luncheon.

Upland Jrs. To Present World Globe

The Upland Junior Woman's Club will hold its regular monthly meeting May 12 at 8 p.m. at the Upland Library.

Los Olivos Junior Girl Scout Troop with Mrs. Deeg, Leader will open the program with a flag raising ceremony.

Special guest for the evening will be Mrs. L.B. Van Orun, president of the Upland Woman's Club; Mrs. R.B. Barry, newly elected coordinator; and Mrs. B.G. Yahne, assistant coordinator.

The program will include a presentation of a world globe to the children's section of the library. Mrs. Frost, children's librarian, will be on hand to receive the presentation.

Hostesses for the evening will be Mmes. Gilbert Extale, Andrew Muscarello, and Verne Sanders.

The Upland Juniors recently held their Reciprocity meeting. Mrs. Mark King, president of the Upland Jrs. welcomed the 14 clubs in the district. Mrs. Robert Barrows, San Bernardino district president, was also on hand to enjoy the fashion show the club presented.

Candle Reveals Bethrothal

The traditional passing of a candle among her sorority sisters was the formal announcement of the engagement of Miss Paige Rasmussen of Upland and Mr. Gary Mark Hagstrom of St. Paul, Minn.

Miss Rasmussen is the daughter of Mr. and Mrs. Jack D. Rasmussen, 1616 N. Laurel ave., Upland. Mr. Hagstrom is the son of Mrs. Ralph E. Hagstrom and the late Mr. Hagstrom of St. Paul, Minn.

The wedding will take place Aug. 16 in the St. Francis of Assisi Chapel at the Mission Inn, Riverside.

Miss Rasmussen is an Upland high school graduate with the class of 1965. She was active in the legislature council, Tamlins Tri-Hi-Y (where she served as secretary); was varsity songleader and 1965 prom princess. She will graduate from the University of Puget Sound, Tacoma, Wash., in June. She has been a member of Gamma Phi Beta Sorority and served as house president of the group. She plans to teach kindergarten in West St. Paul School District in September.

Mr. Hagstrom is a graduate of Sibley high school in St. Paul with the class of 1964. He was active in men's choir, and the band. He was graduated in 1968 from the University of Puget Sound with a degree in political science. He was a member of Beta Theta Pi fraternity, a member of the varsity crew and Intercollegiate Knights. He has been working as a claim adjuster for the Hartford Insurance Company in Minneapolis. He plans to enter law school in the fall of 1970.

94 NCL Ticktockers To Receive Charms.

Ninety-four Ticktockers of National Charity League, Foothill Chapter, will complete a year's philanthropic service in the community, on Saturday May 10.

The girls, daughters of patronesses of Foothill Chapter, N.C.L. will receive gold medallions at the tea to be held at 1:30 p.m. at Griswold's Indian Hill Inn in Claremont.

Special charms will be presented Ticktockers who have completed 100 hours or more of philanthropic service during the 1968-69 year.

Ticktocker graduates of the class of 69 Modelettes will also receive a gold modelette charm.

Mrs. J. Doug Robertson, president, will preside over the afternoon activities when patronesses, and invited guests will be on hand to honor the Ticktockers. Mrs. J. Dewey Harnish, honorary patroness of Foothill Chapter, N.C.L., will make the presentation of the gold awards.

Arrangements for the tea are under the chairmanship of Mrs. Hugo J. Melillo, social chairman.

Some of the philanthropies for which Ticktockers will be receiving awards are, layettes for San Antonio Community Hospital and Santa Claus Inc. Layettes are the major project and more than 200 are made each year. Learning boards, knitted slippers musical instruments, tray favors pajama bags, stuffed toys, were made and together with many hours of volunteer work were donated to Casa Colina.

The Chapter's main philanthropy is the Home of the Angels Nursery For Retarded Children, located in Ontario and numerous hand made comforters, slippers, shrugs, tiny-tot dresses, nightgowns, scrapes, arm slings, used toys and games were donated periodically by the girls.

Ticktockers also earned many of their philanthrophy hours, entertaining and assisting the patients in the McCabe Rest Home, Pilgrim Place and in the making of clown-faced pictures from felt for Pacific State Hospital, Spadra.

The Ticktocker Attic, housed in the Upland home of Dr. and Mrs. Felix J. Bescoby, and stored with all sizes of excellent clothing donated by the girls in March and October used clothing drives provide an emergency service for the community.

Added to the Chapter's many projects, and inaugurated during the 1968-69 program, was the Head Start program.

ADMIRING MEDALLIONS -- Mrs. Frank J. Pendergast looks over bracelets held by her daughters Susan, left, and Jeanne, right, prior to the tea which will see National Charity League Ticktockers honored for the hours of service they have given to others during the past year.

Creative Arts Monopoly Ended By Planetarium

ALTA LOMA -- Until this year, Chaffey College's creative arts division could claim the Arts - on - Campus Festival each May for its very own.

But now comes the physical science division with the announcement that the show for May in the Milliken Planetarium will be "The Mona Lisa Look of the Pulsars."

The reasoning behind the selection and timing went like this:

Leonardo da Vinci, who portrayed the lady with the enigmatic expression was productive in the sciences as well as the arts. Were he living today, he would be obsessed with unraveling the mystery of the Pulsars, those newly discovered neutron starts 2,300 light years away, those tiny freckles on the face of the firmament.

Therefore, planetarium coordinator Robert M. Lober chose "The Mona Lisa Look..." for the month of Arts - on - Campus --which is rather artful for a physical science prof.

It will be the last such show of the academic year and it's slated for 7:15 p.m. for all four Tuesdays in May.

Chaffey's Spring Choral Concert Scheduled Tonight

ALTA LOMA -- A spring choral concert keyed to Mozart and Faure will be presented in the Chaffey College little theater at 8:15 p.m. May 10.

The Chaffey Men's and Women's Glee Clubs will sing Wolfgang Mozart's "Regina Coeli" (Queen of Heaven) and Gabriel Faure's "Requiem" under the direction of Joyce Shannon. This Arts-on-Campus event requires no admission charge.

A solo octet will be featured in the "Regina" rendition.

Claudia Collins, Corona, and Carol Springer of Upland, will be the sopranos in the octet, and Linda Holbrook, Chino, and Margery Keith of Upland, the altos. Richard Cheney, Fontana, and Roger Vignocchi, Upland, will take the tenor roles, and Michael LeDoux, Ontario, and Gary Reinschmidt, Fontana, the bass.

Miss Collins, who starred here in "H.M.S. Pinafore," will also be the soprano soloist for "Requiem" while Hayato Nakamura, Upland will be the baritone. Nakamura financed his education in this country through night club, television and radio performances in Japan.

Other musical happenings ahead in the Arts-on-Campus Festival are the Spring Band Concert at 8 p.m., May 15, and "Los Flamencos de la Bodega" at 11 a.m. on May 22. Both events will be in the little theater.

The concert will be conducted by Mason. Los Flamencos de la Bodega is a troupe of dancers, guitarists and singers from San Francisco. There will be no admission charge for either attraction.

There is also plenty of music involved in the current show - of - the month in the Milliken Planetarium, "The Mona Lisa Look of the Pulsars" The show, another free Arts-on-Campus offering is at 7:15 p.m. on every Tuesday in May.

Chaffey Instructor Vieing For BPW Carreer Award

ALTA LOMA-A Chaffey College nusing instructor will vie for the title of "Young Career Woman of the Year" at the Business and Professional Women's state convention in Los Angeles, May 15-18.

Nancy Crow qualified for the state contest when she was ranked "Young Career Woman" for San Bernardino, Orange and Riverside counties in the BPW speak-off at Palm Springs.

She participated in the speak-off as a representative from the San Bernardino BP Club. The title of her address was "Women in the Know and on the Go."

YOUR DOLLARS MULTIPLY FASTER

AT UPLAND SAVINGS...

Because at Upland Savings you receive the highest interest on insured savings permitted by Federal law.

Interest is compounded daily and is earned from the date funds are received to date of withdrawal. Funds received by the 10th of the month earn from the 1st.

At Upland Savings there is no minimum...all insured savings earn the highest interest in America.

At Upland Savings your savings are insured by the Federal Savings and Loan Insurance Corporation up to $15,000. **No one regardless of size or location can offer you more of this insurance...or higher interest.**

Be assured of earning interest from the 1st..... start the Upland Savings habit, where your dollars multiply faster!

Come in to Upland Savings at 9th and Euclid in Upland and get your free copy of "Helpful Hints On Managing Your Money." A beautiful 28 page booklet in full color. Young women will find it especially beneficial and educational. There is absolutely no obligation... just ask for one.

NOTICE INVITING BIDS

For City of Upland Street Maintenance Project No. I-21-9, the improvement of Stowell Street from First Avenue to Euclid Avenue, including: removal of existing pavement; placement of base material; asphalt concrete paving; construction of curb and gutter; and appurtenant work.

NOTICE IS HEREBY GIVEN that sealed bids will be received in the office of the Purchasing Agent of the City of Upland, California, up to 11:00 A.M. on May 19, 1969, at which time they will be taken to the Council Chambers and publicly opened by the City Manager, for Street Maintenance Project I-21-9, the improvement of Stowell Street from First Avenue to Euclid Avenue, in accordance with Construction Plans, Specifications, Standards, and other Contract Documents on file in the office of the City Engineer of said City, to which Plans, Specifications, Standards and Documents bidders are referred to for further information.

Plans and Contract Documents may be obtained at the office of the Purchasing Agent, at the City Hall, 177 "D" Street, Upland, California, upon payment of One Dollar ($1.00) for each set, which amount will not be refundable. Standard Specifications for Public Works Improvements books may be purchased at the office of the City Engineer at a charge of Four Dollars and Twenty-five Cents ($4.25) for each book.

Each proposal must be accompanied by cash, certified check, cashier's check, or surety bid bond in the amount of not less than ten per cent (10%) of the estimated aggregate amount of the bid as a guarantee that the bidder, if successful, will promptly execute a contract in the required form and furnish a satisfactory faithful performance bond and material and labor bond. Each of said bonds shall be in the amount of one hundred per cent (100%) of the contract price.

Pursuant to the provisions of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holidays and overtime work, for each craft or type of workman needed to execute the work contemplated under the Agreement, as ascertained by and set forth in Resolution No. 2073 adopted by the Upland City Council, shall be paid to all workmen employed on said work by the Contractor or by the subcontractors doing, or contracting to do, any part of said work.

Bids must be returned to the office of the Purchasing Agent enclosed within a sealed envelope with the words, "Bid - Street Maintenance Project No. I-21-9" plainly marked on the outside of the envelope. The right is reserved to reject any and all bids which the City Council may deem not to be to the best interest of the City and also the right to waive any informalities in a bid, and the right to award the contract for the above described work within 30 days thereafter. Work of construction shall begin within 10 days after the signing of the contract and shall be completed within 60 calendar days after the date of the contract. Further information will be furnished and detailed plans and specifications of the proposed work may be inspected at the office of the City Engineer of the City of Upland. Proposal blanks and copies of the Plans and Specifications may also be obtained from the Purchasing Agent.

By order of the Council of the City of Upland, California.

A TOUCH OF THE ORIENT -- Mrs. Robert Hancock, center, talks with Terri Hancock, left and Diane Quinn, right, as they prepare to appear in the "Teahouse Fashions" event of Cucamonga Central school on Thursday, May 15, at the school.

Orient-Inspires PTA Show Of Spring Styles

"Teahouse Fashions" will be presented Thursday, May 15 by the Cucamonga Central School PTA.

The oriental - inspired event will take place at 7:30 p.m. in the cafetorium of the school at 7939 Archibald ave., Cucamonga. Area residents need not have children attending Central School to participate in the evening's activities. It has been designated a community affair by the PTA which will accept homemade, knitted or crocheted articles to be demonstrated by models who will be children and adults. Information on applications and modeling may be obtained by calling Mrs. Robert Hancock, 987-4401 or Mrs. Donald Martz 987-1595.

Tickets for the evening may be purchased from any PTA member or at the door, for 50¢.

'Bakeless Bake Sale'

A "Bakeless Bake Sale" is now underway by the Alta Loma High School PTA board to raise funds for scholarships.

The sale will be advertised through letters mailed to the homes of Alta Loma High School students asking for a $1 or more donation. Requested is at least the equivalent of the cost of ingredients for one cake.

The sale, which will last until May 24, will be the only fund-raising project the PTA has held this year. This is the method by which scholarship funds are gathered. The scholarships, approximately $200 each are given to three seniors to use at a college or trade school of their choice. They are given to average students who excel in arts, crafts, drawings, shop, etc.

Any donation will be accepted and should be made out to Alta Loma High School PTA "Bakeless Bake Sale - Scholarship Fund" and should be mailed to Burton Wiley, principal, ALHS, 880 Baseline ave., Alta Loma or to Mrs. Eugene Billings, 6813 Amethyst, Alta Loma.

Sons Of Italy Dinner Dance Set May 10

West End Lodge 2127, Sons of Italy, will hold its Seventh Annual Dinner-Dance Saturday, May 10, at Sweeten Hall, corner of San Bernardino Road and Hellman ave., in Cucamonga.

Dinner will be at 7:30 p.m. with a cocktail hour preceding it. Dancing will begin at 9 p.m. with Joe Nicassio providing the rhythm.

Braves Trim Gladstone In Hacienda Contest

COVINA - It took an all-out effort by Alta Loma high school's varsity baseball team to get by Gladstone, 3-1, in an 11-inning marathon here Tuesday afternoon in a Hacienda League outing.

Alta Loma wrapped up the contest when Dan Steveson, aboard on a fielder's choice, went to second on a pickoff attempt and Tim Learned followed with a single to score Steveson.

Learned took second on a walk to Mike Gilliam and scored the third run on a single by Hermes.

Gladstone broke into the scoring column in the fourth inning to take a 1-0 lead, but the Braves came back in the fifth to tie the score.

Rick Mack got aboard on an error, Jack Hermes walked, and Tony Grasso ripped a single to left to score Mack.

Gladstone made a bid in the eighth inning when the first two batters got aboard, then pulled a double steal, but Coach Art Keough inserted Isidro Monge into the pitching slot at this point and he immediately picked off the third base runner, struck-out the next batter and forced the following batter to ground out.

THERE WAS PLENTY OF ACTION in the first week of play in the Montclair Central Little League circuit. Here, Bruce Hankla, left, is tagged out at home plate by Marty Ogg during a recent encounter between Jontro Meats and Jade Machine.

The Upland Highlanders stood at the top of the SAL heap, Friday night after edging the Pomona Red Devils 5-4, despite the fact that the Red Devils managed to get 10 hits and 18 runners aboard compared to Uplands five bingles and 10 runners.

But games are won and lost in the scoring department and there the Highlanders excelled by a slim margin.

The victory gave Upland a 9-2 SAL mark compared to Pomona's 9-3.

The Highlanders now have three games between themselves and the SAL pennant---Tuesday they hosted the fourth place Ganesha Giants and Friday afternoon they'll travel to nearby Claremont, another toughie resting in threatening third spot.

Friday night's game was played to a standing room only crowd which saw Upland rallying for two runs in the last of the fifth to take a 5-3 lead after earlier giving up a 3-1 advantage.

The Scots broke Pomona pitcher Dennis Bowen's no earned run streak at 22 innings with a pair of runs in the last of the first.

Pitcher Paul Katona, with relief help from Dan Price in the seventh was credited with winning his fifth SAL game without a loss, while Bowen was charged with his first loss.

Dignitaries On Hand For Central LL Opener

Opening day of the Little League season was held on Saturday, April 26, The opening season was attended by boys and parents alike in day-long activities.

Saturday morning each boy, along with his manager and coach, was honored and called onto the field where several dignitaries were present.

Mayor Hayes and Councilman McClure and Councilman Jones, along with City Administrator Mike Graziano, were present and gave talks, as did District Official John Schepp.

The Rev. Delmar Parks gave the invocation of the day.

A dance at the Ontario Elks club where the parents had their celebration of the opening day concluded the day's activities.

Before opening day ceremonies each boy sold tickets to the community for the dance. Boys selling the most tickets are to be honored by attending a game at Dodger stadium. They are: Darrell Gropp, Kelly Shewalter, Jonathon Valdivia, Neil Stanton, Lincoln Feller, Richard Woods, Charles McCune, Bob Woods, Pat Proulx, Ed Woods, Rex Brinkman, Dale Brinkman, Rog Ogg, Denny Brown, Rick Jorgensen, Jeff Miles, Joe Pettit, Jim Ventry. In addition, the entire team of Alumin-Art, along with manager and coach, will be honored by attending the Dodger game, as their team sold the most dance tickets.

Upland High Grad Star Pitcher In Pa.

Vaughn Engle, son of Mr. and Mrs. Gordon Engle, 1466 West Arrow highway, Upland, California, and former varsity baseball standout at Upland high school, is now playing college baseball at Messiah College, Grantham, Penna.

In his freshman year, Engle chalked up a perfect pitching record with 4 wins and 0 losses and a batting average of .304 in helping Messiah College to a winning record of 7 victories over 5 defeats. Now playing his second season at Messiah College, Engle won his first game against Philadelphia College of Bible. He then lost for the first time in his college career in the contest with Tennessee Temple College in 13 innings. To this point in the season, Engle's record is 1 win against 2 defeats. He is batting at a .333 chip.

Engle is playing under the coaching of Timothy Miller, former Upland College standout, who, when a student, played under Paul Trautwein, coach at Upland high school.

FISHING

The modern angling expert chooses to fish most waters for most types of fish through the middle of the day, rather than the early morning or late evening. Anglers have probably wasted more hours on early morning fishing than on any other superstition. However, for salt water fishing, early morning is best.

Two Big Days At Cal Poly Vue, Friday & Saturday

A barrage of balloons and a mounted color guard will highlight opening ceremonies of the 27th annual Cal Poly, Pomona Poly Vue open house May 9-10. The two-day event will begin at 12 noon on Friday, May 9.

The Poly Vue theme, "Kaleidoscope," describes the variety of events to be offered to the 10,000 expected visitors. The college-wide activity will feature displays and demonstrations by the many academic departments on campus. In addition, there will be events of a lighter nature.

A carnival will be held on the tennis courts on Friday night at 7 near the Gymnasium. Thirty club-designed and sponsored booths will offer such events as goldfish-bowl tossing, ring tosses, pillow fighting, concessions, archery, and many other activities. There will be plenty of refreshments available.

The two-performance National Intercollegiate rodeo will be presented at 2 p.m. on both days. Cowboys and cowgirls from 21 West coast colleges and universities will be competing for points and prizes in events ranging from bull riding to goat tying.

A deep-pit beef barbecue will be served from 11:30 a.m. to 3:30 p.m. on Saturday in the Rose Garden picnic area.

Soap box derby competition will be held on North Campus Drive in front of the Administration building. The Cal Poly Amateur Radio Club will provide the timing for the races.

The Poly Vue Horse Show will be held all day Saturday in the Kellogg Arena.

Academic contests will feature competition for local high schools and junior colleges in journalism, business practices, engineering, and livestock showmanship. Winners will be awarded prizes in the annual contests.

For the second year in a row, the Theater Arts and Music departments will combine their talents to produce a musical. This year's production will be Bertolt Brecht's and Kurt Weill's "Threepenny Opera." Performances will be held on Friday at 8:30 p.m. and a matinee scheduled for 2:30 p.m. on Saturday.

A special attraction this year will be the appearance of Miss Kim Novak as special guest of honor. The screen star will visit many of the activities on Saturday.

'Drift Card' Finders Ask To Cooperate With Project

Calling all drift card finders --

If you frequent Southern California beaches and other waterfront areas, you may have an opportunity to assist current research by the University of Southern California into the effects of the Santa Barbara channel oil spillage.

Drift cards, used by marine scientists to trace ocean currents, will be released periodically from USC's research vessel, the Velero IV, throughout the Santa Barbara Channel as well as at the site of the Union Oil Co. drilling tower.

In due time the cards, which are the size of a regular postcard, will be washed up on beaches and other waterfront areas.

Persons who find the drift cards are asked to indicate on the cards where and when they were found and then drop them into mail boxes for postage-prepaid delivery to USC. The drift cards are enclosed in waterproof plastic bags which can be discarded after the drift cards have been removed.

After the initial release of the cards, subsequent releases will be made weekly for a prolonged period of time, according to Dr. Dale Straughan (pronounced Strawn), the director of the USC oil spillage research effort.

"We will continue to release the drift cards for a period of months, in order to trace ocean currents in the area during more than one season of the year," Dr. Straughan said.

"Drift card finders will be of great service to our research, if they will cooperate by seeing that the cards are returned to us."

Several years ago a drift card finder picked up a card at sea, entered on it the location and the time he found the card and then dropped it into the water to continue its journey, Dr. Straughan recalls, Fortunately this card was later retrieved on another beach and the two reported positions provided extremely helpful information.

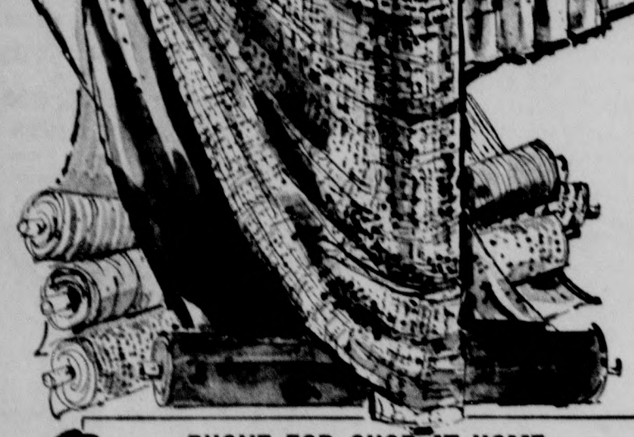

USC's investigation of the oil spillage effects is being financed by a grant from the Western Oil and Gas Association and has been in progress since February 20.

Comedians Plan 'Golf-In' Sept.

Dick Martin, the funny half of television's top comedy team, Rowan and Martin, has been named chairman of the 8th Annual Comedians' Golf Classic to be played at the Pomona National golf club in Walnut Valley on September 5, 6 and 7.

An avid golfer, the impish comedian calls this year's event "the world's first golf-in" and promises that this will be an unforgetable experience for all fortunate enough to attend.

The classic introduces a new competition for the more serious amateurs representing other prominent Pro-Ams when they meet to determine the first (Pro) Am team championship. However, ingeniously, the fun and frolic usually found at the comics' bash will be ever-present without disruption to the official game.

Saturday, September 6, is the big day on which the comedians' 1969 "Pro-of-the-Year" and "Mulligan" award winner will be honored (?). Last year, they were Billy Casper and Don Rickles, respectively.

Don Adams, who headed last year's classic, will be honorary chairman. Roy Gerber, vice president of CMA, Inc. is Mulligan awards dinner chairman. Blind/handicapped children will continue to benefit from the proceeds, announced Milton Blackstone, the classic's executive director.

Chemical Color Show Slated At CP May 9-10

One of the most entertaining as well as informative academic exhibitions to be offered the public during the California State Polytechnic College, Pomona annual two-day open house, Poly Vue, May 9-10, promises to be that of the Quantum Club.

The future chemists have selected nine classical demonstrations, researched from offerings appearing in The Journal of Chemical Education since 1922 and enhanced by both student and faculty embellishments.

"It should be a most spectacular show," exclaimed Glen Chappell, 25-year-old senior from Ontario, president of the group.

He described three of the demonstrations.

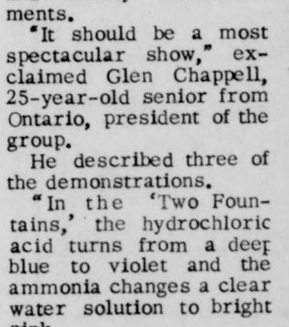

"In the 'Two Fountains,' the hydrochloric acid turns from a deep blue to violet and the ammonia changes a clear water solution to bright pink.

"A high column of foam is produced in the 'Polymerization of Polyurethane Foam,' in the second experiment, and in another experiment a nylon rope (white) is extracted from a clear solution."

The "experiments" will be held from 12 noon - 4 p.m. on Friday and 10 a.m. - 4 p.m. on Saturday in the Cal Poly Science building, Room 215.

The nine presentations of 15 minutes duration will be given at half-hour intervals. Six teams consisting of two individuals each are being selected to conduct the demonstrations.

27 MILLION DOGS

There are today about 27 million dogs and approximately the same number of cats in the U.S., they occupy an important niche in 30 million homes, and pet ownership is increasing significantly each year according to Dr. Jim Corbin, director of the Purina Pet Care Center.

CONSOLE PIANOS

FULL SCALE 40" ALL WITH WORLD FAMOUS WURLITZER TONE
Now You Can Give Your Child the Benefits of Music for Less Than You've Ever Imagined
The pleasure your child can have making music and sharing it with others is reason enough for piano lessons. But there's more to music than meets the ear. A child at the piano develops independence and self-confidence. He learns discipline, concentration, poise and pride of accomplishment . . . qualities which can lead to success in many other fields as well as music. In tone and durability, this Wurlitzer piano offers a quality far exceeding what you would expect at this price . . . a truly great investment for the family that knows and appreciates excellence. Think about it now. Then ask yourself if you can afford to deprive your child of the benefits that learning to play the piano offers.

Casa Colina Offers Program For Stroke Victims

Stroke victims in Southern California can be encouraged by the new service offered by Casa Colina Hospital for Rehabilitative Medicine. This service offers complete evaluation of stroke-caused disability, leading to recommended programs of rehabilitative therapy, according to Clinical Director Daniel J. Feldman, M.D.

Strokes-cerebral vascular accidents-are the third leading cause of death in the United States. Each year 200,000 persons lose their lives from strokes, according to statistics released by the American Heart Association. 2,000,000 living Americans have had strokes, and many of these can lead productive lives.

Strokes may damage any of several nerve centers of the brain. Resulting disability may be slight or serious, temporary or permanent. Only full rehabilitation evaulation, such as that now available at Casa Colina Hospital, can determine the exact nature of the disability, and establish a realistic goal for the patient. Prompt treatment often hastens the patient's return to his normal life patterns and can, in many cases, prevent invalidism.

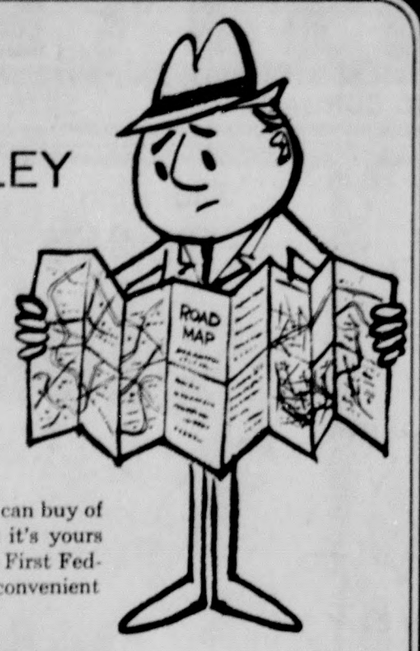

The Casa Colina evaluation service includes a wide range of tests and counseling sessions. When tests have been completed by specialists in occupational therapy, physical therapy, speech therapy, audiology, social, psycnological and vocational counseling, recommendations for rehabilitative treatment are made. Treatment programs are oriented to the particular patient's attainable goals. Dr. Feldman is in charge of this phase of care.

Eighty-four stroke patients have been evaluated and treated at Casa Colina Hospital in the past year. Patients' ages ranged from 22 to 84. Thirteen percent were under age 40. The balance treated, 33% were in the middle-aged group -40-60 years of age.

Mrs. Wm. Delaney United Crusade Residential Head

Mrs. William Delaney has accepted the position of residential chairman for the 1969 United Crusade campaign in the Pomona Valley area.

Mary Lou Delaney, busy homemaker and mother of three, gives much of her time to volunteer work. A Cub Scout Den Mother, she is a member of the Women's Auxiliary of the North - west Little League, the PTA of San Jose Elementary School and the Alumni Association of Camp Fire Girls. She is also a member of Our Lady of Assumption Church, Claremont.

Besides all of her other duties she found time last year to enroll in the Red Cross First Aid class (and she passed, she added). She said she felt that such a course was a 'must' for mothers with young children.

The Delaneys and children, Billy 11, Michael 8 and Elizabeth 6, reside in Pomona.

City Cooperates Cooperates In Trash Pick-Up

As part of the city's cooperation during the May Clean-Up, Paint-Up, Fix-Up is the pickup of extra trash on the days allotted to the homeowner. This is not an extra trash pickup, but added things may be put out at this time, city officials said.

The Upland Beautification month is being sponsored by the Chamber of Commerce.

Rules for trash pickup follow:

I. WRAP YOUR GARBAGE

Drain garbage of all moisture and wrap in several thicknesses of newspaper. Place wrapped garbage in same receptacle as rubbish and trash.

II - ONCE-A-WEEK PICKUP

Garbage and Trash (including citrus areas) will be picked up together once a week according to the following schedule:

Monday - San Bernardino freeway north to south side of Santa Fe tracks.

Tuesday - North side of Santa Fe tracks to south side of Arrow highway.

Wednesday - North side of Arrow highway to south side of Foothill blvd.

Thursday - North side of Foothill blvd. to south side of 14th street.

Friday - North side of 14th street to 25th street (city limits).

III - REGULATIONS FOR PICK-UP SERVICE

A - Pickup time: Containers should be placed at the curb or alley the night before the scheduled collection day. Collection begins at 7 a.m. Containers should be removed from the curb the same day they are emptied.

B - Holidays: Holiday collection schedule will be published in advance in the local newspaper.

C - Containers: Containers should not exceed 32 gallons capacity and 65 pounds weight when filled. Fifty-five gallon steel drums are unacceptable because of their size and weight, and they do not have a tight fitting lid.

Garbage & Trash Service - Container must be metal, plastic or other liquid-tight material, with a tight-fitting lid.

Trash Service Only - Trash must be placed in a barrel, can or other suitable container. Cardboard and wooden boxes are discouraged as suitable containers.

D - Loose Rubbish: Loose rubbish must be bundled and tied. Tree trimmings and shrubbery should be tied in bundles of not more than 4 feet lengths and not to exceed 65 pounds. Tree limbs must not be larger than 6 inches in diameter or 4 feet in length. Large stumps must be cut in 2 feet lengths.

Dangles Improved Service Bait — PUC Telephone Hike

LOS ANGELES -- With better service the target, a "stick and carrot" approach toward General Telephone was recommended today by a California Public Utilities Commissioner and an Examiner.

The carrot, however, is not nearly as crunchy as the $41.9 million annual rate increase the telephone company seeks.

The stick is a $4.4 million reduction in the $16.6 million the Commissioner and Examiner deem a reasonable increase for the company.

The carrot is a restoration of the $4.4 million if after a year the company corrects its service deficiencies and makes further application to the Commission.

In a proposed decision which will ultimately be accepted, rejected, or modified by the five-man Commission, Commissioner Fred P. Morrissey and Examiner Robert Barnett, who presided over 60 days of public hearing on the company's application, said they would consider General's service "unsatisfactory" until it "is comparable to that offered by telephone corporations in the adjacent territory, that is, by Pacific."

In harmony with this "comparable service" philosophy, the authors of the proposed decision said "we have tried to spread rates so as to make comparison easier with rates of telephone companies in adjacent territory."

Under the plan proposed, basic exchange rates for both business and residential telephones would virtually remain status quo in the Los Angeles Extended Area (LAEA) until service is improved. The $12.2 million first-phase increase would be composed mainly of raises for directory advertising and street address directories; service connections, moves, and also changes, PBX and other special equipment; and extension stations.

When the service is brought up to the desirable standards, basic exchange rates would be increased $1.1 million for business phones and $3.3 million for residential phones.

The Commissioner and Examiner sharply criticized General's reluctance to convert from flat-rate business service to non-optional message-rate business service in the LAEA, saying that:

"For decades this Commission has been importuning General to provide (the non-optional message rate service) . . . General has done so reluctantly and in only a few exchanges. In our opinion the message rate basis of charing for business service is a more equitable way of properly assessing the cost of providing service to both the small and large users. Such service has been provided by Pacific within the LAEA for over 30 years...The time for the pleading is past. We (would) order General to provide the service.

Other rate recommendations espoused in the proposed decision include:

--Establishment of a "Lifeline" residential service, primarily for the poor, the infirm, and the shut-in, at a one-party rate of $2.30 a month with an allowance of 30 messages.

--The rejection of General's proposal to increase LAEA multi-message unit rates from 4.05¢ to 4.65¢,

--Raising non-recurring charges for long telephone cords. General now charges $6 for a 25-foot cord and $5 for a 10-foot cord. The recommendation is for charges comparable to Pacific's: $7.50 for cords 15 feet or less and $10 for cords between 15 and 25 feet.

Outside the urban area, eight-and ten-party suburban services should be upgraded to four-party service withdrawn entirely by 1974. "We expect General to formulate plans to phase all party lines out of operation," the report says.

$17,974,913.80 Slated For Freeway Construction

James A. Moe, State Director of Public Works, has announced the award of a $17,974,913.80 contract for freeway construction in Los Angeles County.

Polich-Benedict Constructors and R. M. Price Co. of Rosemead, the joint venture firm to whom the contract was awarded, was the lowest of four bidders.

Located in and near San Dimas and Pomona, the construction affects Interstate Routes 10 (San Bernardino Freeway) and 210 (Foothill Freeway); and State Routes 57 (Orange Freeway) and 71 (Corona Freeway).

The major portion of this project involves construction of an interchange between all four freeways, and approaches to the interchange. A total of 23 overcrossings, undercrossings, separations and other structures comprise the massive traffic complex.

Interstate 210 will be constructed as eight-lane freeway on new alignment from San Dimas Avenue to the interchange. Also on new alignment, the Orange Freeway will be constructed as an eight-lane facility for a 1.4-mile distance southerly from the interchange. The Corona Freeway, presently four lanes, will be widened to eight lanes for 1.2 miles southeasterly from the interchange.

The San Bernardino Freeway will be widened from six to eight lanes between 1.5 miles west and 0.8-mile east of San Dimas Avenue, and a section of the eastbound lanes will be realigned to provide room for the interchange structures.

In San Bernardino County a contract for $3-749,959.30 was awarded to O. G. Sansone Co. and Silva & Hill Construction Company of Riverside for grading 9.4 miles of Route 40 for four-lane freeway between 2.1 miles east and 11.5 miles east of Crucero Road at Ludlow, and for construction of four bridges across washes.

Six months have been authorized and work on this project should be completed about the end of this year.

In San Diego County a contract for $3,706,592.15 was awarded to Kasler Corporation, Gordon H. Ball Inc. and Yeager Constructors, joint venture firm of San Bernardino, for major freeway construction on Route 52 in San Diego, between 0.1-mile east of Interstate 5 at the Ardath Road Interchange, and 0.9-mile east of Genessee Avenue.

Four-lane freeway will be built on new alignment for a three-mile section that will traverse San Clemente Canyon.

Interchanges will be constructed at Regents Road and Genessee Avenue.

NOTICE OF PUBLIC HEARING ZC-285

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Upland will hold a public hearing on Thursday, May 22, 1969, at 7:30 p.m. in the Council Chambers of the Upland City Hall to consider a request for a zone change from AV-R (Aviation Runway) to A-I (Airport Industrial) by an amendment of the Official Zoning District Map of Chapter 1 - Zoning Regulations, Article IX of the Upland Municipal Code on the following described property:

A portion of Section 2, T-1-S, R-8-W, SBB&M according to Government Survey described as follows:

That area lying 50 ft. perpendicular on each side of the following described lines:

Beginning at the East 1/4 corner of Section 2, said point also being the intersection of the centerlines of Benson Avenue and 14th Street; thence West along the North line of the SE 1/4 of said Section 2, 2,120 ft. to an intersection with the centerline of the Cable Airport taxiway and the true POB; thence South 24° 9' West, 1,000 ft. more or less to an intersection with the North line of the Cable Airport runway (300 ft. wide).

That area described as follows:

The North 200 ft. of the West 1,400 ft. of the East 2,120 ft. of the SE 1/4 of said Section 2; EXCEPTING THEREFROM that portion lying North of a line described as having its Westerly terminus at a point lying on the North line of the SE 1/4 of said Section 2, 2,120 ft. Westerly of the East 1/4 corner of said Section 2, and having its Easterly terminus at the intersection of the East line of said Section 2 and the centerline of the Cable Airport runway extended Easterly; and ALSO EXCEPTING THEREFROM that portion lying South of a line described as being parallel with and Southerly thereof, 75 ft. from the last described line.

That area described as follows:

Beginning at a point located on the last described parallel line 800 ft. from its Westerly terminus; thence Southeasterly along a line perpendicular to the centerline of the Cable Airport runway to the intersection with the North line of said runway, said point being 150 ft., measured at right angles, from the centerline of said runway; thence Northeasterly along the North line of said runway to the point of intersection with the last described parallel line; thence Northwesterly along said last described parallel line 600 ft. more or less to the POB.

More generally described as 6.345 acres in a former cross-winds runway and taxiway strip located on the North side of the Cable Airport runway on the West side of Benson Avenue between 13th Street and 14th Street.

This public hearing will be conducted pursuant to the provisions of Chapter 1 - Zoning Regulations, Article IX of the Upland Municipal Code, and Sections 65500-65800 of the Government Code of the State of California.

All persons interested in this proposal are invited to attend.

Wayne Newton At Melodyland May 9-10-11

Tickets are on sale now for "The Wayne Newton Show" at Melodyland, where the versatile young performer will appear May 9-10-11.

Actually, versatile is hardly the word for Newton, whom many critics still call "the most exciting in-person performer of our generation."

As a singer, he's equally adept at a swinging tune or a solemn hymn and as a musician, he plays eight instruments, among them the banjo, guitar, trumpet and violin -- or more accurately: "fiddle," the way he plays it.

This versatility, which will be amply displayed at each of the performances that weekend at the Anaheim showplace, stems from the fact that Newton has been performing professionally since he was six years old, and that was 20 years ago.

Appearing with Newton at Melodyland will be comedian Jackie Kahane and tickets to the in-person show are available at the boxoffice, by mail and at all agencies.

Next attraction at Melodyland: Johnny Carson May 3-4-5 with "The Eddy Arnold Show" coming in May 16-17-18.

PFF Managers At S.F. Meet

Four branch managers of Pomona First Federal Savings and Loan Association attended the annual Branch Operations Conference held in San Francisco last Saturday by the California Savings and Loan League.

They are vice presidents Mervin L. Soden, manager of the Indian Hill Office, Orville Garrison, manager of the Upland Office, Leo L. Bitterman, manager of the Hi-Desert Office, and Joe P. Lee, manager of the Claremont Office.

Highlights of the conference included a series of talks by experts on What's ahead in the Savings and Loan Business, and How to Improve Security Against Robbery Burglary, Fraud and Forgery.

A panel on New Approaches to Business Development and Marketing, highlighted the Saturday afternoon session.

Inherited Deficit Reason For Postal Hike, PM Says

An "inherited" postal deficit of $1.2 billion is responsible for the proposals to raise the postage bill for residents of Montclair, Postmaster Anthony L. Zangri said today.

Zangri said he had been advised by Postmaster General Winton M. Blount in Washington, D.C. that the record $1.2 billion 1970 deficit compelled President Nixon to seek postage rate increases. Without higher rates the Department will be left with a staggering deficit that would become an added public tax burden.

In addition to increasing letter mail from 6 to 7 cents, as proposed by the Johnson Administration, the President also asked that second and third - class mailers help reduce the large postal deficit which would otherwise be paid by taxpayers, the postmaster said.

For bulk third-class mail and most magazines and newspapers, the rates would be increased 16 per cent to 20 per cent above today's level, he noted. These percentages include rate hikes already scheduled by previous action of Congress.

The President's recommended increases will reduce the 1970 postal deficit by more than $600 million.

The postmaster listed these other details on the proposed increases:

First-class mail: Letters and post cards would be increased one cent, to 7 cents an ounce and 6 cents a piece, respectively, on July 1, 1969. Airmail postage would remain at 10 cents. This will yield $557.2 million in new revenues.

Second-class mail: A handling charge of 3/10ths of a cent per piece for circulation outside the home counties would become effective July 1, 1970. This would yield $15.3 million annually and would represent a 12 per cent increase in addition to the 8 per cent rise scheduled to take effect January 1, 1970.

Third-class mail: For single pieces, rates would be increased one cent per piece. This would yield $12.4 million. For regular bulk third-class, the minimum would be increased to a uniform rate of 4.2 cents January 1,1970.

Let's Go Fishin'

BY BOB BREWSTER
Outdoor Editor, Mercury Outboards

BACKWOODS BOATS

For fishing backwoods lakes and streams, "cartoppers" are the answer.

These compact, lightweight floating packages provide the only solution to fishing streams too deep for wading and small inaccessible backwoods lakes seldom visited by most anglers.

While most of the emphasis these days is on glamorous large runabouts and cruisers, by no means has the small fishing craft left the outdoors scene. They are available in a wide variety of designs and sizes to fit a multitude of tasks, say the authorities at Mercury outboards, who offer a few pointers in selecting the proper hull.

Since portability is the basic requirement, confine your search to boats weighing under 120 pounds. You'll be doing plenty of lifting and carrying, so the lighter the better. Aluminum construction seems to be the best all-around choice, but strip-canvas designs that will accommodate an outboard and certain fiberglass hulls are suitable.

Canoes, the original back-country craft, are natural car-toppers. Easy to handle, they're ideal for fishing rivers or small lakes.

NOTICE OF
PUBLIC HEARING
ZC-281-A

NOTICE IS HEREBY GIVEN that the City Council of the City of Upland will hold a public hearing on Monday, May 19, 1969, at 7:00 P.M. in the Council Chambers of the Upland City Hall to consider a request for a zone change from A-1 (Agricultural District - 40,000 sq. ft. minimum lot area) to R-1-D (Single Family Residential District - 7,500 sq. ft. minimum lot area) by an amendment of the Official Zoning District Map of Chapter 1 - Zoning Regulations, Article IX of the Upland Municipal Code on the following described property:

Lots 154, 155, 164 and 165, College Heights Tract in the City of Upland, County of San Bernardino, State of California, as per map recorded in Book 17, Pages 77 & 78 of Maps in the Office of the County Recorder of said County.

More generally described as 20 acres between 14th Street and 15th Street with the West line 1,400 ft. East of Benson Avenue.

This public hearing will be conducted pursuant to the provisions of Chapter 1 - Zoning Regulations, Article IX of the Upland Municipal Code, and Sections 65500 - 65800 of the Government Code of the State of California.

All persons interested in this proposal are invited to attend.

Area BSA To Attend July Nat'l. Jamboree

Only 57 local Boy Scouts will attend the 7th National Jamboree in Idaho in July, but Scouts in every Boy Scout troop will share in jamboree activities through special local events and a special service project built around the jamboree theme Building to Serve.

Jamboree participants will return home with answers to the question, "What can I do to make my community a better place." Reports from troops in the Old Baldy Council indicate that plans are already being made for service projects this summer that will make a difference in their local communities.

A new jamboree feature--the jamboree forum--will give jamboree participants the responsibility of representing more than 4 1/2 million Explorers, Boy Scouts, and Cub Scouts. Meeting in patrols, troops, and camps, the Scouts will discuss ways that individual members can translate ideals into action, Bull said. A final summary of recommendations will be drafted by the representatives of the 20 camps at the jamboree for approval by all of the jamboree troops. Each jamboree Scout will bring back home the final statement to be put into action locally.

The following Scouts and leaders plan to attend the 7th National Jamboree from Old Baldy Council:

From Diamond Bar:
Paul A. Filby.

From Walnut:
Steven H. Miller

From Montclair:
Corey R. Boss, Mark A. Reynolds.

From Alta Loma:
Christopher C. Chalfant, Glen S. Vonderheide

From Upland:
Robert E. Chamberlain, Glenn G. Davis, Reid S. Hoefer, Robert S. Hulbert, David G. Sears.

Billy DeWolfe Due On Stage At Melodyland

To call Billy De Wolfe "patriotic" has got to be one of the gross understatements of World War II.

The comedian, who will appear with Eddy Arnold at Melodyland May 16,17 and 18, worked in vaudeville and night clubs for years to attain one goal: a motion picture contract.

One of his now-classic routines -- acting out an entire night club act from m.c. to chorus -- finally caught Hollywood's eye and when Paramount signed him up, what did he do?

Naturally, this was "something to write home about" and when he got down to the post office -- you guessed it: A recruiting poster got the best of him and he enlisted! The same day he signed that first contract!

Under the unusual circumstances, the Navy permitted him time off to make his first film, "Dixie," in which he won Dorothy Lamour from Bing Crosby. He hasn't won a girl on the screen since.

But he has won fame, thanks to his original routines, among them the equally classic "Mrs. Murgatroyd" sketch from "Blue Skies."

Currently on TV's "Queen And I," De Wolfe will be seen in all five performances of Melodyland's "Eddy Arnold Show," which lists as that weekend's special guest star Hugo Montenegro and his orchestra and chorus.

Tickets are available now at the theatre boxoffice, by mail and at all agencies.

Gen.Tel. Mgr. Accepts Post With U.F.

Directing the pilot employee department for the 1969 United Crusade in the Pomona Valley Area is Bill McNee, division manager for General Telephone Company.

Volunteer work, especially scouting, has claimed much of McNee's off-the-job time in areas where he has been located during his 29 years with General Telephone--Santa Monica, San Joaquin valley, San Bernardino and now Pomona.

McNee is a United Crusade volunteer because 'United Crusade's organized, united way of collecting and distributing funds insures their best use in meeting the health, youth and charitable needs of all of the people in all of the communities.'

A native of Kansas, where he received most of his schooling including his AA degree from Hutchinson College, McNee also received schooling at Michigan State and L.A. Trade Tech. He also received in 1963 General Telephone's La Croix award, an honor given to the few who have performed an act of heroism which resulted directly in the saving of a life.

A member of the Pomona Rotary Club, he is also affiliated with F. & A.M. Lindsay #416 and is a member of the Claremont Presbyterian Church.

Claremont residents, McNee and his wife, Bessie, are the parents of two daughters, Patricia 21 and Judith 19.

1 County Employee For Every 105 Residents, If Budget Passes

As the County Chief Administrative Officer's proposed County budget for the 1969-70 fiscal year was presented to county supervisors today, reflecting a General Tax Rate increase of 28.73 cents for each $100 of assessed valuation, Supervisor Frank G. Bonelli warned that the 7,821 total new County employees called for in the document would result in having 1 out of every 105 County residents on the County payroll.

"For many years, the ratio of the number of County employees to the population, was 1 in every 145 residents," Bonelli declared. "As of today, the ratio is 1 to 118. If the new County budget is approved as submitted, the ratio will be a shocking 1 to 105."

Based on an estimated assessed valuation increase of 4%, the recommended 1969-70 proposed budget would result in a General County tax rate of $2.9683 for each $100 of assessed valuation, Chief Administrative Officer L.S. Hollinger advised in his budget presentation today.

Public hearings on the Final Budget will begin on June 9, Bonelli pointed out.

New Telephone Books Distributed This Week

A new, free book is being delivered to your doorstep this week which is guaranteed to hold your interest for a whole year. General Telephone Company division manager, Bill McNee, announced today that telephone directories will be delivered throughout this area for the next several days starting May 7 and finishing May 13.

"The telephone directories being delivered this week contain a storehouse of information about your telephone service. How to contact your emergency operator, get information or directory assistance, and how to turn in a request for repair service is covered in the first pages of the directory. Current long distance rates and the hours and days that special low long distance rates apply are also explained in the first pages," said McNee.

"Anyone who has not received a new telephone directory before May 15 should call the company's business office for prompt delivery. Additional directories for both the local area and other areas outside this exchange can also be ordered from the office," concluded McNee.

CLAREMONT LIONS CAVORT -- These members of the Claremont Lions club "cut up" for the photographer to publicize their antique show and sale which will be held May 9-10-11 at Cahuilla park. Hours are from 1-10 p.m. and Sunday from 12-8. Coins will be awarded as door prizes.

PV UF Elects Martin Head

Vincent F. Martin, district manager for the Southern California Edison Company, has been elected chairman of the board of directors of the Pomona Valley and United Way. Martin succeeds James L. Hardy of Case, Summers and Hardy, as chairman.

Martin led the Pomona Valley United Crusade to a victorious conclusion last year and this year will serve as one of three co-chairmen for the campaign.

Other officers installed with Martin at the annual dinner meeting of the United Way held recently at Diamond Bar Country Club, were Mrs. J. Leland Mills, president-elect of Mt. San Antonio College, 1st vice chairman and Thomas F. Nuss, attorney, 2nd vice chairman.

Pink Pigeon, Desert Law

Pink Pigeon and Desert Law, reigning queens of the Lakeside Turf course at Hollywood Park, will renew their local rivalry Saturday, May 10, in the $30,000 added Long Beach handicap, first added money event on the grass for fillies and mares this season. The Long Beach is to be raced at a flat mile.

Pink Pigeon, Patrick Madden's roan speedster, and the William Haggin Perry-owned Desert Law, a model of consistency at Hollywood Park, met three times last year at the Inglewood track with the "rubber match" going to Pink Pigeon, after a thrilling stretch duel in the mile and three-eighths Beverly Hills handicap.

In two previous encounters last year Desert Law had topped Pink Pigeon by a half-length in the South Bay handicap, while the roan mare had finished ahead of her rival in the Hollypark Ladies handicap, although bowing to Princessnesian, a stablemate of Desert Law.

Athletics Second Target Of Board

In the third session concerning cutbacks in the education program in the Chaffey Union high school district, the trustees in three hours approved reductions in the district's athletic program.

The board met in Merton E. Hill auditorium to consider a number of proposed cutbacks necessary to formulate next year's budget.

The meeting was marked by occasional heated exchanges between members of the audience and the board.

The district is trying to adjust to an economic squeeze necessitated by the failure of a tax override election last month. The district sought a maximum general purpose tax rate increase from the current $1.70 to $2.50 over a five-year period.

The meeting was adjourned until next Monday night at 7 p.m. for deliberation on the question of further economies. Subjects to be considered will include the question of revising the district transportation policy to save money and the possible reduction of per-pupil allocations for supplies, books, travel and equipment.

The big hangup in Monday night's meeting involved an item that wasn't on the agenda -- a reduction of student classes from a six-period day to five.

The board acted a week earlier in ordering the change as an economy measure. A public meeting was held at that time to permit citizens to voice their opinions.

The board, after considerable discussion, decided to permit citizens to speak on the subject of a five-period day under the agenda item, "Budget Development."

One speaker was Harry Callaway of 2456 Ocean View dr., Upland, who identified himself as a taxpayer and citizen.

Urging the district to change .s decision and return to a six-period day next year, Callaway presented a detailed study comparing the operation of this district with Grossmont Union high school district.

His conclusions were that Grossmont operated more efficiently with a lower income -- $694.35 per student compared with Chaffey's $850.88 per student.

The board took Callaway's report under advisement.

In action involving the athletic program, the board passed a motion placing it on an after-school basis.

Under the program as approved, a student who wishes to participate in the school's interscholastic athletic program will not be required to take a regular physical education class. However, after the sport he engages in has been completed for the season, he will return to a regular P.E. class.

After two meetings with district coaches, the administration recommended the following reductions in coaches, which were approved by the board:

Football, from 40 to 33; basketball, from 21 to 16; baseball, from 18 to 16; cross country, from 7 to 5; water polo, from 7 to 6; wrestling, from 10 to 8; swimming, from 7 to 6, track, from 15 to 12; tennis, from 5 to 4.

Golf as a competitive sport, requiring one coach at each school, was eliminated at Chaffey and Upland high schools.

Under the program coaches will teach five academic classes, in addition to their after-school coaching duties. Presently they teach four academic classes, such as English, history or mathematics, and one physical education class in addition to their coaching duties.

Objective of the board's action was to effect economies, while "making every effort to preserve the athletic program."

Nitrogen To Be Tested In Car Tires

A study is currently being conducted at the San Bernardino office of the California Highway Patrol, to determine the merits of using nitrogen to inflate tires. Captain V. Nicholson advised that the purpose of this test program will be to determine the value of the use of nitrogen with respect to increased tire safety, increased tread life, tread wear, and the pressure stability.

Ten patrol vehicles will be equipped with nitrogen inflated tires and ten with air inflated tires. They will be operated under the same test conditions in order to have a basis for comparison. A log will be maintained of the mileage each tire is operated, the amount of tread used and any defects occurring. The test is to run for four months.

Captain Nicholson advised that a similar test is being conducted at the California Highway Patrol office in Woodland in the Sacramento Area. The tests are being coordinated by the High - way Patrols Motor Transport Section, with test data to be submitted to them for analysis.

The tests are being conducted as part of the Highway Patrols continuous effort to increase highway safety.

Commendation Ribbon Given Upland Cadet

Robert E. Walline of Upland was one of 14 ROTC cadets at the University of California, Davis, to be presented recently with a commendation ribbon for outstanding leadership and proficiency in training.

The Upland youth was particularly cited for outstanding qualities of leadership.

The awards were announced by Col. Max V. Kirkbride, professor and chairman of military science at the university.

CP-Broncs To Play Alums Saturday, May 10 At 1

New head mentor Roy Anderson unveils his Cal Poly, Pomona varsity football squad - spring practice edition - Saturday, May 10 at 1 p.m. at Kellogg Field against a star - studded Alumni team, long on names but questionable on condition.

Coached by Gary Norvell, Ganesha High, and Norm Revis, Rowland, the 'alumns' will depend primarily on recent Broncs mixed in with the Tom Mapleses, Jim Gatzkes, Bobby Anderson, Mickey Bellahs, and Mike Arneneses, dating back a half-dozen years.

Principal quarterbacking chores for the grads should fall to last year's qb Rich Benson with assists from Arnone and Freddie Matalene.

Tim Hackworth, former All Coast fullback, Anderson, and Bellah should handle the running game with three all - time best Broncs, Ralph Burris, John Gabriel, and Gatzke, in on the receiving.

Anderson is undecided on whether to go with Ted Flores or Mike Forkert as his quarterback. Flores has the experience but Forket appears more adept at moving the squad.

Club Meeting Saturday Eve

The Forty Plus or Minus Club cordially invites all single adults over 30 in the Pomona Valley area to attend their first dance of the month on Saturday, May 10 at the Westmont Community Center, Ninth Street and Goldenrod Place, Pomona.

Doug Thomas and his orchestra will play for your dancing pleasure from 9 p.m. until midnight. There will be mixer dances and refreshments to enable newcomers to meet one another.

Sponsored by the Pomona Recreation Department, the single adult club meets the second and the fourth Saturdays of every month. Special events are planned for fifth Saturdays, such as trips to Los Angeles ballrooms picnics and parties. For more information call Norma York, 595-4686, or Jean Enterline, 626-0097.

TRIM—The coatdress for summer turns up in a lightweight cool cotton with the look of quilting. In a bold plaid of earth brown and desert gold, it's ideal wear for lunching at the country club or shopping in town. Designed by Sutton Place of Texas.

Drive In Church Gives Carnations For Mothers Day

Worshippers who attend mother's Day Services on May 11, at the Valley Community Drive-In Church will see a spectacular arrangement of red and white carnations as a part of the FESTIVAL OF CARNATIONS.

The Communion Center will be decorated with hundreds of White Carnations as a Memorial to deceased Mothers. A Living Red Carnation will be given to each Mother in attendance. "We want to express our deep appreciation for the Mothers of our community," Rev. David Ray said, "and this is one way of doing it."

1,000 carnations are ordered for this Festival, according to Mrs. Millicent Wilson who is in charge of arrangements. As far as Church Officials know, it will be the only event of its kind in Southern California.

The public is invited to the 9:30 and 11:00 a.m. Walk-In, Drive-In Services. Rev. Ray will discuss, "Where Are You, God-When My Children Are Away From Home?" as his Mother's Day sermon. The Valley Church is located at Lone Hill ave. and Covina blvd. in San Dimas.

Label It "Permanent"

Sending the kids off to summer camp can leave Mother in a state of pre-departure frenzy! Shopping, labeling and packing a trunkful of Junior's belongings is more often than not a taxing, time-consuming chore.

Here's a handy shortcut to take some of the work out of the summer vacation scramble. Instead of spending valuable time sewing name tapes on underwear, shorts and other assorted paraphernalia, you can identify your child's possessions quickly and easily by writing his name directly on the inside of his clothing. Junior can tell what's his at a glance when his name has been printed in large eye-catching letters. Dri Mark's Medium Line Nylon Tip Markers, which come in fourteen bright, indelible colors, perform this labeling task with ease.

RIDING THE WAVES -- The rough waters of the Verde river in Central Arizona was the magnet for these venturous La Verne college students during the Easter holidays. The students took rubber raft trips down the river under the supervision of Coach Roland Ortmayer.

LV Collegians Ride Wild Waves On Easter Trip In Ariz. River

By Michael Wiggins

LAVERNE - A record tribe of 73 LaVerne braves and squaws followed Chief Roland Ortmayer on this year's Easter trip to the Verde River in central Arizona.

On this year's pilgrimage Chief Ort led the LaVerne tribe out of the complex world of the Los Angeles basin to the bare world of the Arizona mountains.

While on a journey to Camp Verde both squaws and braves paid homage to various ruins of Arizona's yesteryears. Jerome ghost town, Tuzigoot and Montezuma National Monuments indicated to the LaVerne tribe that each man is still relatively small when in contention with the elements.

Organizing begins with rough pow wows many moons before departure from LaVerne. These pow wows are mainly to take inventory on how many ponies (cars), wigwams (sleeping bags), and canoes (inner tubes and rubber rafts) are available. Ah, and also just how many wampum will be needed to buy food and hay (gas).

And as a last precaution, Chief Ort contacts the number one prophet (the local ranger) to find the current river conditions. This year's trip was unique because approximately 75 people rode in the 15 pony (car) caravan to Camp Verde in Arizona where the float began.

The float which consisted of a fleet of some 20 odd river craft (and I do mean odd) began in the noon of Sunday March 30 after Tom Neuman and Vern Tryon circled overhead in their large bird. What a send off!!

But before snapping on life jackets, mounting the vessels, and manning the paddles, Chief Ort spoke wise words of river safety. And, of course, none of our braves or squaws would need this information.

Less than an hour after floating Indian file on the now not so gentle river, someone sent out the first, but not the last "help, help, glub, glub". This first episode put everyone on guard and brought an attitude of seriousness to the once larking LaVerne tribe.

In the following four action packed days members of the tribe became well versed on cooking, washing, sleeping, killing a rattle snake, free floating down rapids, hanging on to overturned rafts, building fires, patching mutilated innertubes and rafts.

Only once did the tribal medicine man need to be summoned. And that was only for a minor mishap.

Icy waters, rapids, barbed wire, cable, and waterfalls, were no deterrent to keep back this stout hearted tribe from completing their 25 mile float on the Verde River. But it was no secret that various members of the tribe would have been contented to linger at the hot springs which was only a mile from the float's termination.

Moments after reaching the power plant, which was the end point of the trip, dead inner tubes and rafts could be seen in scores on the Verdes' banks. Those precious tubes which had received life in Camp Verde now indicated the winded, dead condition of many of the tribe members. But upon questioning tribal members on whether they intended to make another Chief Ort excursion they most eagerly replied, "We would and 'How' ".

MAKING PRESENTATION -- Mrs. Edward J. Duffy, grand regent, Catholic Daughters of America, Our Lady of Fatima Court #1387, presents Carol Smith, third place essay; Lynn Bodin, first place, second division, poetry and Ann Carr, second place, division two, poetry, their prizes. The eighth grade students at St Joseph's school were selected as winners in the organization's poetry and essay contest.

Contract Awarded For Chaffey Library Project

ALTA LOMA -- A bid of $66,991 for expansion and modification of the Chaffey College library was awarded by the board of trustees Tuesday.

The contract for the library project went to Berry Construction, Inc. Ontario.

The board adopted 13 new courses for the academic year ahead, three of which will serve at the nucleous of a minority studies program.

The minority studies courses are entitled "The Black Man in America" "The History of the Chicano in the Southwestern United States," and "Understanding Ethnic Group Relations."

In other business, the board:

--Approved the affiliation of the Chaffey Faculty Senate with the new Academic Senate for the California Community Colleges.

--Favored changing the name of Haven Avenue to Chaffey College Parkway in line with a plan submitted by the Alta Loma Improvement Assn. to the San Bernardino County Board of supervisors.

--Continued study of 1969-70 budget requests.

Basil Harris Presides Over Pharmacy Meet

Upland pharmacist Basil Harris will officiate at the annual convention of the California Pharmaceutical Association being held this week at the Holiday Inn-Riviera Hotel, Palm Springs.

Harris, whose term expires on Saturday at the gala President's Banquet will become an executive board member at large of the one hundred and one year old professional statewide society.

The California State Board of Pharmacy is the state licensing agency which is formed under the State Department of Professional and Vocational Standards.

The pharmacy profession, made up of over 10,000 licensed practicing pharmacists in California, has been served by Harris in many association executive positions. He was previously a president of the Southern California Pharmaceutical Association, and a founding trustee of the Foundation.

WIDENING OF ARROW HIGHWAY - Bulldozers and other heavy equipment started rolling this past week along Arrow Highway and White avenue in preparation for the widening of Arrow Highway, another indication of progress for LaVerne.

RECOVERING FROM WOUNDS---Chief Warrant Officer Barry A. Tronstad, son of Mr. and Mrs. Menford Tronstad, 1055 W. Arrow Highway, Upland, is recovering at his home after an operation on his arm. The young soldier was shot while flying a helicopter in Vietnam, where he served 11 months. He was serving a four year tour of duty as a pilot with Troop A, 3rd Sqd., 17th Air Command, Calvary, near Long Binah when he was shot in the arm and leg. A graduate of Upland High School, CWO Tronstad, entered the Army in 1966. He was awarded the Purple Heart last Nov. 18 in ceremonies in Vietnam. Currently he is an outpatient from San Diego Hospital.

Everything Coming Up Daisies For Camp Fire Folk Festival

"Everything is coming up daisies" will be the theme for the 11th annual Folk Dance Festival of Camp Fire Girls Mt. San Antonio Council to be held on May 10 at 2 p.m. at Mt. San Antonio College Stadium.

Nearly 2000 girl members of the council will participate in an hour long program of folk dances familiar in countries throughout the world. They will wear colorful costumes depicting the countries featured in the dances. Each girl will carry a giant daisy constructed during craft sessions in their individual groups. These will be planted to carpet the stadium in the dance area.

Folk dancing has long been a traditional activity of Camp Fire Girls.

Dr. Luther Halsey Gulick founder of the organization, was in the early 1900's the inspiration for the still existing folk dance festival for school children in Central Park, New York City. He believed that participation in the various national dances would help integrate the immigrant groups.

Indian Dances by the Order of the Arrow of the Old Baldy Council of Boy Scouts will be featured at half time.

The program is being planned by Mrs. Burton Sandberg, the Festival Chairman; Mrs. Jerome Johnson, Program Chairman' both of Claremont; Mrs. Robert Lewis, Glendora and Miss Nancy Williams, Pomona.

The public is invited.

Uplander Named To Space Program

Appointment of Arvid G. Wedin as Chief Engineer of the 949 Space Program at Aerojet - General Corporation's Electronics Division was announced today.

Wedin, who joined Aerojet in 1968, had been a staff engineer on the project prior to his appointment announced by Howard H. Sommer, Manager of the unmanned space technology program being conducted by Aerojet for the U.S. Air Force.

A graduate of the University of Colorado in 1938 with a bachelor of science degree in electrical engineering, Wedin is a member of the American Institute of Electrical and Electronic Engineers.

Wedin and his wife, Eleanor, live at 1805 N. First avenue, Upland.

Chaffey Athletic Director To Take Over Football

ALTA LOMA -- Come July 1, Chaffey College athletic director William Richardson will be the head football coach at the Panther campus.

The Chaffey board of trustees today reported its intent to name Richardson to the top football position. Confirmation of the appointment will be at the adjourned board meeting set for 8:30 p.m., May 6.

The new coach will succeed William Gable who will be retained as a member of the Chaffey physical education staff.

The college indicated that Barney Newlee will serve as athletic director in addition to his primary duties as basketball coach and physical education division chairman.

Richardson has been with the college since 1960, mainly functioning in the dual roles of athletic director and assistant football coach.

In his student days, he was a football star at Chaffey High School Chaffey College and College of the Pacific. He has a B.A. and M.A. from the College of the Pacific.

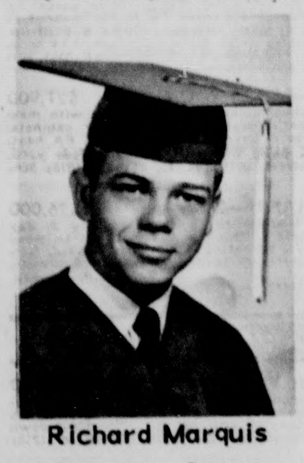

New School Adm. Bldg. Receives Board Okay

SAN DIMAS - The Bonita Unified School District trustees Wednesday approved preliminary plans for construction of a district administrative and educational center on San Dimas and Allen avenues.

They authorized the school administration to make application for state aid to finance the center.

Jack Causey, Ontario architect, also presented the trustees with basic concepts for a new elementary school to be built in LaVerne Heights at yet-to-beselected location.

Causey said he hopes to have the plans for the school completed by fall.

Richard Marquis

UHS Grad Wins Fellowship;

MONROVIA - A graduate of the Class of 1963 from Upland high school, Richard (Dick) Marquis, son of Mr. and Mrs. Charles Marquis, who now live in Monrovia has been awarded a fellowship for a year of graduate work in environmental design at the University of Bologna in Italy in 1969.

The grant includes transportation, living expenses, tuition, books and $1,800 expense money. Marquis is currently completing his master's degree at the University of California in Berkeley.

Marquis has been well known throughout the United States for his blown glass. At a recent one-man show in Berkeley, he sold 16 pieces of his creations for $2300.

Marquis has also won the Presidents (California Universities) Achievement Award of $1000 and the Eisner prize of $600 in the past two years.

Upland Girl Honored

Miss Dawn Arnold of Upland will be the recipient of a USO service award on Saturday, May 3, at the Highland Park Ebell Club, site of this year's USO Junior Volunteer Awards Formal Dinner Dance.

Miss Arnold is a member of USO-Los Angeles Area East San Gabriel Valley Mobile Unit.

This 3rd Annual Awards program is being sponsored by the northeast Communities of Greater Los Angeles.
